

Test Equipment **Sales** and **Calibration** Service

Calibration Services

Listed below is a generic list our present calibration capabilities, contact our staff with specific instrument inquiries.

Standards

Calibrators
Current Shunts
Dividers
Multipliers
Portable Standards
Precision Power Supplies
Resistance Decades
Resistance Standards
Standard Cells

Meters

Ammeters
Analog Meters
Clamp-on Meters
Differential Meters
Digital Meters
Microammeters
Microvolt Meters
Multimeter
Ohmmeters - Digital & Analog
Phase Angle Voltmeters
RMS Meters
VTVM's
Voltmeters
Watt Meters

Frequency & Time

Clock Timers
Electronic Timers
Frequency Comparators
Frequency Counters
Function Generators
Oscillators
Pulse Generators
Quartz Generators
Signal Generators
Strobotacs
Sweep Generators
Synthesizers
Time Mark Generators
Waveform Generators

RF & Microwave 26.5 Ghz

Amplifiers
Attenuators
Crystal Detectors
Generators
Modulation Meters
Power Meters (mW)
RF Generators
Spectrum Analyzers
Vector Voltmeters

Dimensional/Physical

Calipers
Crimpers
Depth Gages
Dial Indicators
Electronic Balances
Force Gages
Height Masters
Micrometers
Pin Sets
Plain Plug Gages
Plain Ring Gages
Pressure
Thread Plug Gages
Torque Meters/Wrenches

Telecommunications

Communication Analyzer
Digital Data Test Sets
Jitter Generators
PCM Terminal Test Set
Transmission Test Sets
Wire Line Simulators

Temperature Measuring

Analog Thermometers
Dial Thermometers
Digital Thermometers
Glass Thermometers
Pyrometers
RTD Monitors
Temperature Bridges
Temperature Controllers
Temperature Recorders
Temperature Calibrators

Miscellaneous

AC Power Sources
Current Probe/Amplifiers
Current Transformers
Data Loggers
DC Power Supplies
Distortion Analyzers
Electrometers
Hypots
Impedance Bridges
Insulation Testers
LCR Meters
Line Conditioners
Logic Analyzers
Megohm Bridges
Megohmmeters

Waveform Monitor

Audio Spectrum Analyzers
Chart Recorders
Curve Tracers
Digital Oscilloscopes
FFT Analyzers
Graph Recorders
Oscilloscopes
Scope Plug-ins
Wave Analyzers
